

Percents Journal

You will need a sheet of paper and coloured pencils.

Divide the paper into these 4 sections.

- ✓ 1 blue section that is $\frac{1}{2}$ of the page.
- ✓ 1 red section that is 10% of the page.
- ✓ 1 yellow section that is 25% of the page.
- ✓ 1 green section to fill the remaining space.

Explain how you did this and determine what percent of the page is the green section? How do you know?
