

Ideology Survey

The following questionnaire will help you understand some of your own ideological beliefs. Answer each question as honestly as you can. Place an 'X' in one of the four spaces provided.

	Strongly Agree	Agree	Disagree	Strongly Disagree
1. The death penalty is wrong and should not be allowed under any circumstances.				
2. The government should use taxpayer's money to provide free day care for all parents.				
3. Directors of big companies that pollute our air and waste water should be personally fined and sent to prison.				
4. Canada should allow any immigrant who wants to move to Canada to do so.				
5. Canada's Aboriginal people should be given the land they were promised in treaties signed with the government.				
6. If a factory is polluting our air and water, the government should order it closed; even if this means that its workers would lose their jobs.				
7. The Canadian government should spend much less money on our armed forces.				
8. Laws should be passed and enforced that will ensure that women receive the same pay as men receive when they do work of equal value.				
9. The United States should not be allowed to test its Cruise missiles in Canada, even if they are not armed.				
10. High school students should be allowed to take any courses they want; there should be no compulsory subjects.				
11. If a person is poor, it is not his or her fault; the government should help such people by providing financial aid.				
12. The government should control the amount of rent that a landlord can charge tenants.				
13. Tax laws should be changed to make rich people and big companies pay more than they do today.				
14. The government should provide a mother with enough money to allow her to stay at home for a longer time after she has had a baby.				
15. A woman who has decided that she wants to have an abortion should be allowed to do so without having to get anyone's permission.				
16. No person or government should be allowed to censor any book, movie, or piece of music.				
17. Artists, writers, and musicians are more important in our society than are business executives.				

18. Workers who go on strike have good reasons and deserve to have the public's support.
19. The government should give more money to our universities and community colleges in order to keep student's fees as low as possible, even if this means raising taxes.
20. Canada should give more financial aid to poorer countries.
