

RELATED ISSUE 1

To what extent should globalization shape identity?

RELATED ISSUE ONE – PROJECT/PERFORMANCE TASK

Complete the following tasks:

TASK ONE:

Find someone from another generation (parent, grandparent etc.) to interview with the following questions. In addition to the questions listed below, come up with two additional questions.

INTERVIEW SUBJECT: _____ **Date of Birth:** _____

- *In what year were you my age?*
- *From what country of origin is your family's heritage?*
- *What is your understanding of the term 'globalization'?*
- *What countries have you traveled to?*
- *When you were my age what was the main form of communication you had with your friends and family?*
- *Do you think life in our society is better today than it was when you were my age?*
- *What do you see as the most important innovation and/or invention we have seen in the time since you were my age?*
- *What issues do the youth of today face that you never had to deal?*
- *What benefits and opportunities do the youth of today have, that you wish you had at my age?*
- *What was the biggest issue facing you when you were my age?*
- *What was the biggest issue facing Canada when you were my age?*
- *What was the biggest issue facing the world when you were my age?*
- *What are three words or phrases you used in your everyday language when you were my age that are not used today?*
- *What are three words or phrases that I use in everyday language today that were not used when you were my age?*
- *What do you see as the three most important world events that have occurred during the time that has passed since you were my age?*
- *What do you think will be the biggest change I will see in the world by the time I am your age?*

Two other questions you would like to ask...

TASK TWO:

Write a short essay in which you:

- ***express your understanding of globalization***
- ***express your interviewee's understanding of globalization***
- ***explain the impact globalization has had on your identity and the identity of your interviewee***
- ***make a prediction about the most important technological change you think you will see in your lifetime. What impact will the technology have on your life and the life of others?***

TASK THREE:

Come up with a creative way to share the information you have gathered and created. The list below provides some examples of what you might do, but it is not an exhaustive list...be creative!

- Create digital interview and essay using *MovieMaker*
 - *digital video tape the interview*
 - *set your answers from task two to a visual slide show*
- Create a PowerPoint that shares all of the information you gathered and created

EVALUATION

Your project will be assessed using the ***'Project/PerformanceTask'*** rubric provided to you in your course outline.
