

Math Gr. 7-9 New Curriculum Committee Work Plan 2025-26

The following work plan represents the collaborative effort of the Designers of Professional Learning for The Consortium. Together, they are creating professional learning opportunities and resources to support the new curriculum announced by Alberta Education. The specific activities and resources included within the work plan represents the voices of Alberta teachers and system leaders shared with The Consortium staff across Alberta. The work plan builds on the strategies contained in the The Consortium Strategic Plan for 2025/2026 and aligns with the New Curriculum priority.
