

## Physical Education and Wellness Grade 7-9 New Curriculum Committee Work Plan

The following work plan represents the collaborative effort of the Designers of Professional Learning for The Consortium. Together, they are creating professional learning opportunities and resources to support the new curriculum announced by Alberta Education. The specific activities and resources included within the work plan represent the voices of Alberta teachers and system leaders shared with The Consortium staff across Alberta. The work plan builds on the strategies contained in the APLC Strategic Plan for 2025/2026 and aligns with the New Curriculum priority.
